

Leon and Dion

These two are brother and sister, elemental mages. When they join together they prove to be a powerful force against evil.

Leon and Dion are elemental mages, whom call on the elements of nature to overcome evil. Although they are still young and have a lot to learn.

With a similar problem as Myra, These two have been searching for their homeworld or somewhere to belong since being abandoned as children.

They were taken from their homeworld, and when the captives found out what they were capable of they abandoned them out of fear.

Even though these two are a comical pair at times. Think of them as a older version of Wilykit and Wilykat if you like.

Nyrii

The Ancient spirits of evil grew angry with Mumm-Ra's constant failures. They selected a second being similar to Mumm-Ra - Nyrii.

Nyrii is rather upgraded version of Mumm-Ra. Her home is a space ship rather than a pyramid, so she is a lot more mobile. She doesn't require the need to re-generate, although the light is her weakness similar to Mumm-Ra. she is ruthless, a persona built up on grudges and hate, someone who personally takes pleasure in seeing others suffer.

She was sent from the same world as Mumm-Ra to aid him in quest to beat the Thundercats.
